Rules & Regulations
No-Nonsense pages 90-91

**Station identification, repeaters, third-party communications, FCC inspection**

Proper station identifcation is also very important. In fact, failure to identify properly is perhaps the most common rule violation.

T1F03

When is an amateur station required to transmit its assigned call sign?
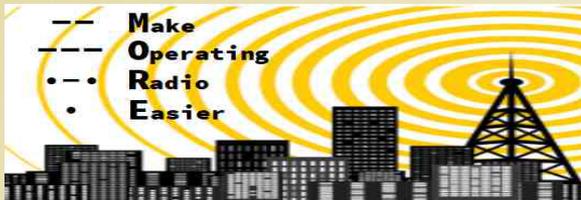

A. At the beginning of each contact, and every 10 minutes thereafter

B. At least once during each transmission

C. At least every 15 minutes during and at the end of a communication

D. At least every 10 minutes during and at the end of a communication
